7 April 2009.

To whom it may concern,

I am delighted to recommend the services of "Just Solutions".

Simon Palomo took time to understand our electrical requirements and he worked closely with our I.T. support providers.

I found the engineers to be hard-working, very professional and always polite whilst on-site.

The service offered to us by "Just Solutions" was prompt, professional and of the highest calibre in meeting our requirements.

I shall certainly re-hire "Just Solutions" for future projects.

Signed :
